APPLICATION FOR THE NEXGEN INITIATIVE INTERNSHIP: SALES
AND MEMBERSHIP CARD POSITION

Dear Selection Committee,

Please accept this formal letter as an expression of my deep enthusiasm and application for the Sales and Membership Card internship position within the Mamelodi Sundowns NexGen Initiative. As a dedicated, proactive professional with a strong alignment to the values of excellence and continuous growth that Mamelodi Sundowns represents, I am eager to contribute meaningfully to your supporter coordination and commercial growth strategies.

The NexGen Initiative represents an inspiring platform for innovation, and I am particularly drawn to the Sales and Membership Card department. This division is vital to bridging the gap between the club's corporate milestones and its heartbeat—the loyal supporters. I possess strong interpersonal communication skills, an entrepreneurial mindset, and a customer-centric approach that will enable me to drive membership acquisitions, streamline card distributions, and offer exceptional service to our valued fanbase.

I have completed matric with accounting, business studies, and economics, which provided me with robust financial and commercial knowledge.

Furthermore, I hold an N4 Certificate in Financial Management, equipping me with structured skills to manage the financial workflows, tracking, and reporting necessary for successful sales and membership card operations.

In addition to my formal qualifications, I am an active Herbalife Nutrition member, independently marketing and selling wellness products. This experience has significantly sharpened my direct sales capabilities, client relationship management, and target-driven mindset, all of which directly translate into building lasting engagement with your supporter community. Being based in Pretoria, I have witnessed firsthand the profound social and cultural impact Mamelodi Sundowns has on the community. I bring to this internship a high level of resilience, adaptability, and a genuine passion for sports management and commercial brand building. I am confident that my work ethic will seamlessly support your team in optimizing supporter engagement and expanding the club's membership footprint.

Thank you for considering my application. I welcome the opportunity to discuss how my dedication, academic background, and sales experience make me an ideal candidate for this prestigious initiative.

Yours faithfully,

Molepo Kamogeloo Unity
