Web: internship.sundownsfsc.com**13 July 2026****APPLICATION FOR THE NEXGEN INITIATIVE INTERNSHIP: SALES AND MEMBERSHIP CARD POSITION**

Dear Selection Committee,

Please accept this formal letter as an expression of my deep passion and application for the Sales and Membership Card internship position within the Mamelodi Sundowns NexGen Initiative. As a driven 19-year-old professional deeply inspired by the club's culture of excellence, I am eager to bring my vibrant energy, dedication, and commercial focus to your supporter coordination and growth strategies.

I hold an N4 qualification in Financial Management along with a completed Matric certificate featuring Business, Economics and Accounting. This educational foundation equips me with strong financial literacy, commercial awareness, and a comprehensive understanding of market dynamics. Furthermore, as an active independent member and product distributor for Herbalife Nutrition, I have gained practical, hands-on experience in direct sales, customer relationship management, and local marketing strategies.

The NexGen Initiative represents an inspiring platform for innovation, and I am particularly drawn to the Sales and Membership Card department. This division is vital to bridging the gap between the club's corporate milestones and its heartbeat—the loyal supporters. I possess strong interpersonal communication skills, a proven entrepreneurial mindset, and a customer-centric approach that will enable me to drive membership acquisitions, streamline card distributions, and offer exceptional service to your valued fanbase.

Being based in Pretoria, I have witnessed firsthand the profound social and cultural impact Mamelodi Sundowns has on the community. I bring to this internship a high level of resilience, adaptability, and a genuine passion for sports management and commercial brand building. I am confident that my unique blend of financial training, formal business education, and real-world sales experience will support me and your team in optimizing the club's membership footprint.

Thank you for considering my application. I welcome the opportunity to discuss how my dedication, skills, and alignment with the club's vision make me an ideal candidate for this wonderful initiative.

Yours faithfully,

Molepo Kamogelo Unity
